

THE ALL-IN-ONE-SOLUTION FOR OTAS

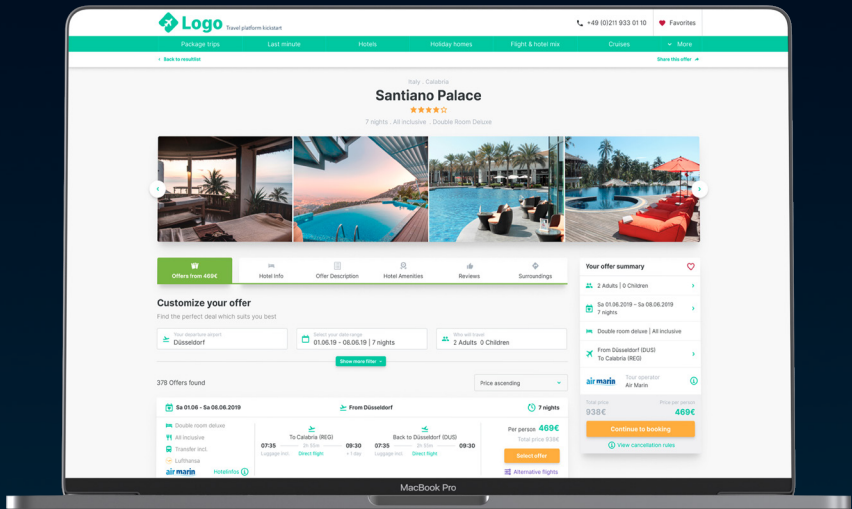

DRIVE ONLINE LEISURE TRAVEL DISTRIBUTION FORWARD

Overcome entry boundaries easily with this all in one plug&play solution. Only one contract is required to access a comprehensive travel supply chain from your own homepage to online booking and secure payment.

- Access a broad tour operator portfolio
- Be part of a global increasing leisure travel network
- New search options to personalize customer needs
- Benefit from teaser options in the new front-end solution
- Full portal delivery (incl. homepage)
- Low setup fee

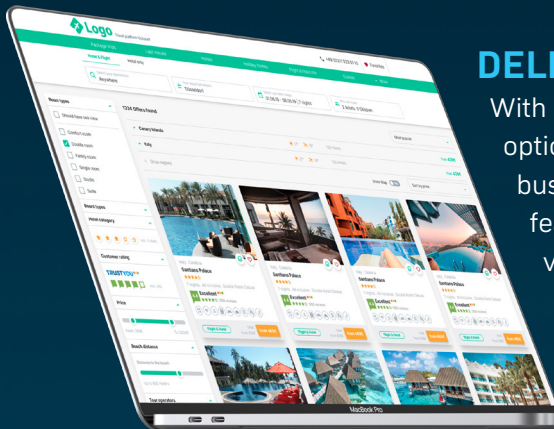

Only one contract that serves the whole touristic supply chain and enables a plug&play solution with powerful partners:

FRONTEND SOLUTION

The new frontend delivers an emotional user experience and enables you to personalize your offers and teaser options to differentiate your brand versus your competitors' brands.

DELIGHT YOUR USERS

With different upsell & cross selling options, you can accelerate your business. The various filter and feature options enable the traveller to always find the perfect holiday - with a response time in milliseconds.
